

## Dr. Nikos Kostopoulos – Short Research Bio

Dr. Nikos Kostopoulos is an executive and policy specialist with extensive experience at the intersection of governance, the defense industry, and emerging technologies. He currently serves as Management Executive Director at Endeavor Integrated Solutions, focusing on maritime security, defense systems, and international technology partnerships.

He previously served as CEO of Hellenic Defence Systems, where he led the company's operational restructuring and its expansion into European defense and technology programs. His work spans dual-use technologies, institutional governance, and innovation ecosystems across Southeast Europe and the Mediterranean.

His research focuses on governance systems, defense innovation, and technology policy.

Dr. Kostopoulos holds a Ph.D. from the Department of Administrative Science and Technology at the School of Economics and Management of the University of Patras. He also holds an Executive MBA from the Zurich Elite Business School, a Master of Laws (LL.M.) in European Governance from Neapolis University Pafos, a Master of Arts (M.A.) in Theology from the Department of Social Theology and Christian Culture at Aristotle University of Thessaloniki, and a degree in German Studies from the Faculty of Philosophy at the National and Kapodistrian University of Athens.
